LHFS PROGRAM CODES

W Exp Hobby Farm Fixed 30	WEHF30-000
W Exp Hobby Farm Fixed 15	WEHF15-000

GENERAL REQUIREMENTS	
Acreeage	<ul style="list-style-type: none"> • Properties generally range from 5-160 acres • Acreeages 160+ considered on a case-by-case basis.
Agricultural Income	Acreeages of 5+ need to have reasonable potential to produce \$500/annually. If an applicant has a property under 5 acres (and needs to be classified as a hobby farmer) then the annual agriculture income must be \$5,000.
Appraisal	<p>Fannie Mae 1004 / Freddie Mac 70 appraisal forms or Uniform Agricultural Appraisal Report (UAAR) The appraiser should choose the reports which best supports the value given to the subject property.</p> <p>Appraiser must have one of the following appraisal certifications:</p> <ul style="list-style-type: none"> • Certified Residential • Certified General <p>Assignments of appraisals are not permitted. A minimum of three comparable sales are required. Comparable sales should be under 12 months old and within a 50-mile radius of the subject property. Current listing can be used in addition to, but not in lieu of actual comparable sales. Interior photos of the subject property are required.</p>
Borrower and Ownership Entities	Individuals only
Cash-Out Restrictions	<p>Undocumented actual cash out to the borrower will be limited to the lesser of \$100,000 or 25% of the loan amount.</p> <p>Example of ineligible purposes: investments, second homes or providing funding for non-agricultural business purposes.</p>
Credit	<p>Minimum mid-score of 680 Prohibited characteristics: Bankruptcies, foreclosures, short sales, significant mortgage late pays, significant collections Tax liens, etc.</p>
DTI	<ul style="list-style-type: none"> • 39%; up to 43% w/compensating factors • DTI ratios between 39% and 43% could be approved with compensating factors and will be reviewed on a case-by-case basis. • Some examples of compensating factors may include 750+ mid score, 50% owner equity, lower LTV than stated guidelines, or significant cash reserves.

GENERAL REQUIREMENTS (CONTINUED)	
Gifts	<p>Gifts of Cash: Gifts of cash must be received from an immediate family member. The gift should be in the form of a cashier's check or evidence must be present to validate the transfer of the funds to the borrower's account. A standard gift of cash from must be completed for the file documentation.</p> <p>Gifts of Equity: A gift of equity is permitted when purchasing from an immediate family member. The purchase price in the purchase agreement should be as close to the estimated value of the property as possible. The purchase price and the appraised value should be within 5% of each other.</p> <ul style="list-style-type: none"> • The purchase agreement must include a statement regarding the gift of equity and the amount of the gift. • If the amount is higher than 5%, the investor will need to evaluate, on a case-by-case basis, whether or not to require the original purchase agreement to be amended. An amendment is likely to be required in cases when there is a difference of 10% or more. <p>The Gift of Equity form should be formatted the same way as a Gift of Cash. The amount to use on the Gift of Equity form will be the difference between the purchase agreement price and the loan amount.</p> <p>The purchaser is encouraged to consult with a tax professional about whether the gift amount is taxable. The settlement statement should include a line item for the gift of equity with the amount of the gift shown as a subtraction from the purchase price.</p>
Home Only Value Restrictions	None
Home Value to Overall Property Value Percentage	Ideally 30%+, but lower levels considered
Income	<p>All applications must include copies of the most recent:</p> <ul style="list-style-type: none"> • Wage earning statements / pay stubs • 2 years of W2's • 2 years of 1040 personal tax returns <p>Self-Employed applicants (25% minimum ownership per K1 form) must also include copies of the most recent:</p> <ul style="list-style-type: none"> • 2 years of Business Tax Returns (3 years if applicants are full-time farmers) for each business. • Business balance sheet containing detailed repayment terms for the business-related debts. <p style="text-align: center;">Agricultural Income</p> <p>Hobby Farm (500+ of annual AG income)</p> <p>Acreages of 5+ need to have reasonable potential to produce \$500/annually. If an applicant has a property under 5 acres (and needs to be classified as a hobby farmer) then the annual agriculture income must be \$5,000.</p>
Ineligible Property Types	<ul style="list-style-type: none"> • Full-time farming • Business property • Manufactured homes (wood framed modular homes are permissible) • Second homes / investment homes • Unique homes (i.e. earth berm homes, domes, shed with livestock facilities) • Townhomes, duplexes, and condominiums • Lot or land only properties • Properties with deferred maintenance or incomplete construction • Leasehold

GENERAL REQUIREMENTS (CONTINUED)

<p>Insurance</p>	<p>Home Owners Insurance</p> <p><u>Purchase:</u> LHFS requires that the premium for the first year either be paid through the closing/signing process or evidence provided that it has been paid outside of closing.</p> <p><u>Refinance:</u> When an escrow is applicable, amounts to be escrowed are dependent upon the month of the closing and when the premium for the following year is due. If the renewal date and the premium amount due are within 45 days of closing, LFHS requires the premium to be paid through closing and shown on the Closing Disclosure. If current insurance premium payments are paid monthly, quarterly, or semi-annually, LHFS requires full payment through the next due date, either through the closing/signing process or evidence provided that the premium has been paid in full outside of closing. **All loans: Insurance provider must be AM Best rated "A" or better.</p> <p>Flood Insurance</p> <p>Flood Insurance is required if any determination indicates that the buildings on the property lie within a Flood Zone. Flood insurance is generally required on any building with a value of \$500 or more. Flood insurance coverage required on the home will be in an amount equal to the required amount on the property/casualty policy. This will apply even if the amount exceeds to common coverage ceiling of \$250,000. Flood Insurance coverage on outbuildings used in relation of agriculture or business purposes will also be required in an amount equal to the value determined by underwriting during the approval process. The flood insurance requirement may be waived if a building is used only for consumer purposes (i.e. garage or small storage shed). When an escrow is applicable, LHFS requires the collection of a 2-month tax escrow cushion, except as otherwise required by state law.</p>
<p>Livestock</p>	<p>Generally 50 head or less</p>
<p>Property Type and Ownership</p>	<p>Single Family, Primary Residence home in good condition</p>
<p>Property Eligibility</p>	<ul style="list-style-type: none"> • Rural area • Properties are generally 5-160 acres, properties with acreages under 5 or over 160 will be considered on a case-by-case basis. • Owner occupied, single family, and primary residences with a primary home in good condition. • Consumer outbuildings are permitted. • Primary homes should have a value of at least 30% of the overall property value. Properties with a home valued less than 30% will be reviewed on a case-by-case basis.
<p>Property Taxes / Title</p>	<ul style="list-style-type: none"> • If taxes are due and payable within 45 days of closing, LHFS requires the taxes to be paid through the closing and shown in the Closing Disclosure. • Alta 2006 Residential Loan Policy with Alta 8.1 Environmental Protection Lien Endorsement are required.
<p>Purpose</p>	<p>Purchase, Refinance Construction Take-out (permanent financing following construction).</p>
